## **VISION**

A world where everyone understands the features and benefits of using natural stone.

---

## **MISSION**

To create, fund and/or support programs that directly educate the architecture and design community, consumers, and industry professionals about the features and benefits of natural stone.

## MAKE A DIFFERENCE. BECOME A DONOR.

The support of an engaged and connected community of people who share the same passion for natural stone makes the work of the Foundation possible. Impact from dedicated individuals will continue advancing the success of the association and ensures its vitality and commitment to support our vision of a world where everyone understands the features and benefits of using natural stone.

## LEADING THE WAY TO A STRONGER FUTURE

Investing in the Natural Stone Foundation will provide the necessary tools for natural stone promotion, education, and globally unified standards. Contributions will also be used to enhance educational content and underwrite important research and industry scholarships.

**DONATE  
TODAY**

**100% OF YOUR GIFT WILL GO TOWARDS ISSUES THAT DIRECTLY IMPACT AND STRENGTHEN OUR INDUSTRY.**
